

How to Use AmazonSmile

You can support the Library at no cost to yourself every time you shop on Amazon. The Amazon Smile Foundation makes that possible by donating 0.5% of your eligible purchases when you choose the **White Oak Library Foundation** as your preferred charity.

There are basically two different ways to use AmazonSmile depending on how you access Amazon.com.

You use an Amazon app on your iPhone or Android Phone

Open your Amazon app and find 'Settings' in the main menu (☰). Tap on 'AmazonSmile' and follow the on-screen instructions choosing **White Oak Library Foundation** as your charity. After this initial set-up, your eligible purchases will automatically default to benefitting the library's Foundation. You can change your charity any time you want, and you'll be contacted by Amazon once a year to confirm that you wish to continue supporting the library Foundation.

You use a laptop, desktop, iPad, tablet or your phone's browser to shop on Amazon (everything except the phone's app).

You can use this unique [link](#) every time you shop or bookmark AmazonSmile at smile.amazon.com and choose White Oak Library Foundation each time.

If you have any questions about set up, please email the [Foundation](#).

Thank you for designating the White Oak Library Foundation as your AmazonSmile charity!
